

Задание № 1. Вставьте верные буквы в пропуски, используя транскрипцию.

Baihetan is the world's largest hydropower plant, and it opened last (1) [wi:k]. It is located on the Yangtze River in China.

It took only four (2) [jiəz] to build the dam, but it was one of the most difficult (3) [endʒi'nəriŋ] projects. The dam is 289 meters (4) [hai], and one rotation can make 150 kilowatt-hours of electricity. It is the same amount of electricity which a family (5) ['ju:zɪz] in one month.

The dam is a part of a (6) ['sɪstɪm] of dams on the Yangtze River, and it will give electricity to (7) ['i:stən] and central China. These are the most populated areas and sometimes, they had electricity (8) ['ʃɔ:tɪdʒɪz]. Also, China wants to control the flow of the river during summer when there are many (9) [flʌdz]. Another reason why China built the dam is to lower emissions from (10) ['bɜ:nɪŋ] materials, such as coal or gas.

Задание № 2. Раскройте скобки, выбрав верную форму глагола.

A year ago, I (1) ... (to be) on the beach with my friend and my mum and I saw three sea turtles getting released into the ocean. And I (2) ... (to think) to myself and I (3) ... (to tell) my mum, "Why aren't these animals in the ocean already?" And she said, "Why don't we just (4) ... (to make) a story about it and a film about sea turtles?", which (5) ... (to turn) into the story of plastic. And I found out that the reason they weren't in the ocean already (6) ... (to be) because of plastic, and I thought, "Wow. This plastic pollution (7) ... (to be) having such a big impact on the sea animals and it might (8) ... (to have) a huge impact on us human beings and us children."

You see, every year, more than 8 million tonnes of plastic ends up in the ocean and that can be a real problem for marine life. Turtles can mistake things like plastic bags for jellyfish and (9) ... (to eat) them. That can make them really sick or even kill them, which is why Arlian has made it his mission to fight plastic pollution. And now he (10) ... (to make) his own documentary to help.

Задание № 3. Подберите к словам (1-10) подходящие предлоги (A-D).

1	Associated	A	about
2	Famous		
3	Afraid	B	for
